Registered Charity No. 1080170

INTRODUCTION

The Hart branch of Hampshire Children and Families Forum (HCFF) comprises parents and carers and those working in voluntary and statutory organisations, working together to further the interests of children and young people.

The branch has one paid member of staff working ten hours a week during term time, who is supported by central staff based in Winchester. The branch co-ordinator is available to assist in any projects in the local area, fulfilling an identified need.

Hampshire Children and Families Forum is a charity, which was established in April 2000 as an umbrella organisation for the former Under-Eights Forums operating across the county. Hart Under-Eights Forum transferred to HCFF with a new remit to support and inform families with children aged under fourteen. In June 2005, the constitution was altered to allow the charity to work with all children, young people and their families.

The branch meets once each school term to discuss current topics of relevance to families and to exchange information on specific local projects. Parents, carers and professionals are very welcome. You can find out the date of the next meeting by contacting your local co-ordinator or by looking at the branch website <http://hcff.org.uk/hart.html>

Each branch also publishes a newsletter every school term which is distributed free of charge through schools, libraries, at parent and toddler groups, by Health Visitors and to a branch mailing list. If you wish to be added to this mailing list please get in touch.

Details of holiday playschemes, library activities and local support groups are included in newsletters, in addition to news of local and national projects, which will be of interest to families.

This directory is produced to aid families wishing to access services locally. It is constantly under revision and is kept updated on the branch web pages <http://hcff.org.uk/hart.html>

There is no charge for listings or for copies of the directory. The directory will be reprinted when funds permit. If you are aware of errors or omissions please get in touch using the form at the back of this directory.

HEALTH SERVICES AND INFORMATION

NHS Direct

NHS Direct operates a 24 hour nurse advice and health information service, providing confidential information on what to do if you or your family are feeling ill,

particular health conditions, local healthcare services such as doctors, dentists or late night opening pharmacies and self help and support organisations.

For health information or advice at any time of the day or night, call NHS direct on 0845 46 47.

Primary Care Trusts

Primary care is the care provided by people you normally see when you first have a health problem. This includes doctors, dentists, pharmacists or NHS Direct. All these services are managed by your local Primary Care Trust (PCT).

Your PCT will work with local authorities and other agencies that provide health and social care locally to make sure that your local community 's needs are being met.

PCTs are now at the centre of the NHS and will get 75% of the NHS budget. As they are local organisations, they are in the best position to understand the needs of their community, so they can make sure that the organisations providing health and social care services are working effectively. For example, your PCT must make sure that there are enough services for people within their area and that these services are accessible.

Contact your local PCT:

Blackwater Valley and Hart PCT,

Winchfield Lodge,

Old Potbridge Road,

Winchfield,

Hook,

Hampshire,

RG27 8BT

Tel: 01252 849 000

Fax: 01252 849 001

<http://www.bvhpct.nhs.uk/>

Patient Advice and Liaison Services (PALS)

PALS Tel: 01483 782775

Email: pals@bvhpct.nhs.uk

You can talk to PALS who provide confidential advice and support to patients, families and their carers, and can provide information on the NHS and health related matters. If you have a concern about PCT services but don't want to make a formal complaint, the PALS team will try to help resolve the issue. PALS staff can deal with services provided directly by the primary care trusts AND those provided by GPs, dentists, pharmacists and opticians.

There is a Patient and Public Involvement (PPI) Forum for every NHS Trust and Primary Care Trust (PCT) in England. They are made up of local people and have new powers. The Forums play an active role in health related decision making within their communities. Members of PPI Forums are provided with training and development opportunities to enable them to participate effectively. Each PPI Forum is supported by a Forum Support Organisation and the Commission regional centre.

PPI Forums are a key vehicle for raising awareness of the needs and views of patients and the public, and placing them at the centre of health services. They have a number of primary roles, which include:

- Obtaining views from local communities about health services and make recommendations and reports.
- Making reports and recommendations on the range and day to day delivery of health services
- Influence the design of and access to NHS services
- Providing advice and information to patients and their carers about services

Each forum is made up of volunteers in their local community who are enthusiastic about helping patients and members of the public influence the way that local healthcare is organised and delivered. Forum members come from a broad variety of backgrounds and have a range of experience and skills.

Care of: Scout Enterprises Western Ltd(SE)

**Woodlands Nursery
2 Wakefords Corner
Sandy Lane, Church Crookham**

“For all your Childcare needs”

Woodlands nursery is registered for children aged between 3 months and 5 years. Open 8:00am until 6:00pm Monday to Friday. Half days available. On site parking. We are very proud of our long standing, mature staff team, who take the time to get to know you and your child. We follow the Pre-school Curriculum and Birth to Three Matters framework. Government funding available for children over 3 years of age. We accept all nursery vouchers which offer parents financial savings. OFSTED inspected by the department for Education, ensuring the national curriculum is covered.

**For more details or a prospectus please contact
Mrs Sarah Nowell on 01252 624332 or drop in for a visit.**

HAMPSHIRE CHILDREN'S INFORMATION SERVICE

Are you looking for childcare?

For information about childminders, day nurseries, pre-schools, playgroups, out of school clubs, holiday playschemes call our helpline on:

0845 602 1125

Are you interested in providing childcare?

All areas of Hampshire need more childcare providers. Funding is available to help with start up costs. For advice and support please contact the Early Education and Childcare

01962 846290

www.hants.gov.uk/childcare

Hampshire County Council

OUT OF SCHOOL CARE

Yateley and Blackwater

Frogmore Kids Club

Before and after school club for 4 years 6 month to 12 years. Holiday club operates for some of holidays. Frogmore Community Campus, Potley Hill Road, Yateley

Home from Home After School Clubs

Can collect children from Westfields Infant and Junior Schools and take them to the After School Club, held daily in the Centre Bar. A daily

breakfast Club is also held in the Green Room, Yateley School, School Lane, Yateley. Tel: 01252 877190
<http://www.yateley.hants.sch.uk>

SCHOOLS

Pre-schools are generally available from 2 years 9 months on a sessional basis. Contact the pre-school directly to arrange visits and to apply for places. Please be aware that many pre-schools in Hart have long waiting lists. Children receive pre-school funding for up to 5 part time sessions from the term following their third birthday. More details on nursery education funding can be found on the following website:
<http://www.hants.gov.uk/childcare/nurseryfree.html>

All children are required to join full-time education by the term after their fifth birthday. Packs containing an application form for your child's school place can be collected from your catchment school in the September before your child is due to start. The form then needs to be returned to your school of choice by the closing date, currently in November. You should contact schools directly for a copy of a prospectus or to arrange a visit. Further Information on all Hampshire schools, including their OFSTED reports, is available on Hantsweb as follows:

www.hants.gov.uk/education/

For more information on schooling for children with special needs see <http://www.hants.gov.uk/socservs/pinpoint/> or call 0800 028 0888 for a printed copy of the Pinpoint Directory.

CHILDREN WITH SPECIAL NEEDS

Parent Partnership Service

The Parent Partnership Service provides impartial advice, information and support to parents/carers of children and young people with special educational needs (SEN) throughout Hampshire. The service is available to all families for whom special educational needs play a part.

The Parent Partnership Service can help by providing information, advice and support to parents/carers at all stages of their child's school life, from pre-school early diagnosis through to leaving school, and offers: a confidential helpline

- general information on special educational needs
- help for parents/carers to express their views
- support through the statutory assessment process
- help to complete forms and to understand complex documents and reports

- home visits and support at meetings
- presentations to support groups, and organisation of special needs information days.

Parent Partnership Service
 County Office, The Castle
 Winchester SO23 8UG

Portage

Portage is a home visiting educational service for pre-school children with additional needs and their families. The aim is to support the development of young children's play, communication, relationships and full participation in day to day life within the family, and their inclusion in the wider community. This support is based on the principle that parents are the key figures in the care and development of their child. We offer an open referral system, where a Portage visitor will come and talk to you about your child's needs, and whether Portage is the best course of action. Once Portage begins, a weekly visit is usually preferred where together you will plan activities so that your child learns new skills in small steps. Support is also available for the families of pre-school children with significant behaviour difficulties. This support extends to the early years setting the child attends, and is designed to help them to fully include the child in their setting.

For further information contact:
 Margaret Baldwin on 01253 878967
 or you may discuss Portage with your health visitor

National Childminding Association

Promoting quality home based
childcare. Childminders provide
flexible quality childcare, can be part
of Quality Assured Schemes such as
the Children Come First Network and
Quality First Scheme. Contact Jo
Valler on 01256 300714 or
07730689120

<http://www.ncma.org.uk/>

Hampshire Educational Psychology Service

Part of Hampshire's Children's
services. Works with children from 0-
19 and with a range of needs from
difficulties with social, emotional and

behaviour development through to difficulties with learning. Offers parenting groups, training for schools and are involved in many different projects across the county. Always happy to discuss concerns informally with parents. Your local contact is Julia Powell, senior educational psychologist, who leads the Rushmoor and Hart Community Team. She can be contacted on 01252 814727.

Hart Neighbourhood Centre

Dickson House, London Road, Hook
The aim of the centre is to build safer and stronger communities through:

Promoting social inclusion and opportunities for all. Working with individuals, families and young people. Working in partnership to bridge the gap between services and improve access to services and information locally.

The centre will be an information hotspot for the public to access a wide range of information and support services and will be a venue for the delivery of targeted projects within the community. The front desk is open every weekday and alternate Saturday mornings.

CAMHS

CAMHS (Child & Adolescent Mental Health Services) are all the services aimed at promoting and restoring the emotional well-being of children & young people. Hart area is part of the Blackwater Valley and Hart Local Implementation Group (LIG). The aims and objectives of the LIG are:

To feed into the planning of a range of integrated services for children with emotional, behavioural, and mental health problems in the area, in line with national policy and the Hampshire CAMHS strategy.

To implement and deliver the agreed CAMHS local improvement plan, in line with national and Hampshire CAMHS strategy and county improvement plans. Undertake a needs analysis using countrywide standardisation system. Map the range of statutory and voluntary agencies available. Identify links and relationships between agencies and gaps in provision. Agree priorities for development, plan sustainable multi-agency projects. Develop local data collection and collation methods, with the CAMHS strategy group, to evaluate performance. Give quarterly feedback of local progress to CAMHS strategy group.

Produce an annual improvement plan for CAMHS strategy group approval. Ensure that contributing agencies, users, parents and carers are involved in and informed about, changes in services. For further information about CAMHS services in Hart or to raise an issue with the CAMHS local implementation group, please contact the HCFF Hart Co-ordinator.

Hampshire
County Council

Parent Partnership Service

Hampshire Education's Parent Partnership Service has been in existence since 1994. It currently provides the following services:

- Offers advice, information and support to parents of children with special educational needs. During 2001 the service dealt with 1640 enquiries.
- Encourages the development of good practice in home school liaison
- Mediates between parents and schools
- Facilitates the development of parental support networks within Hampshire
- Organises information events at venues throughout the county in partnership with voluntary organisations
- Provides information on publications on a wide variety of SEN subject matter
- Offers a 24 hour initial response time to enquiries and a home visiting service
