

FLEET TOWN ACCESS PLAN

We want your views

If you live, work, go to school or travel within Fleet and the nearby areas of Church Crookham, Elvetham Heath and Ancells Farm, we want to know what you think about plans to improve the area for walkers and cyclists as well as those travelling by public transport or in the car.

Hampshire County Council, in partnership with Hart District Council, is committed to improving the community's ability to get around the built-up areas of Fleet more easily and safely. This is the Fleet Town Access Plan – a shared set of proposals which aim to improve the way people can reach facilities and services spread throughout the town. The Plan will also assist in guiding transport development within Fleet over the next 20 years.

Tell us what you think

We would like your views on the proposed strategies before final approval is given by Hampshire County Council. You can do this in any of the following ways:

Visit our exhibition

A public exhibition of the suggested plans is being held at Hart Shopping Centre (near to NEXT) from 13 to 15 May. Officers from both Hampshire County Council and Hart District Council will be available to guide you through the plans and answer your questions. The exhibition will be open at the following times:

- 9.30am to 7pm on Thursday 13 May
- 9.30am to 7pm on Friday 14 May
- 9.30pm to 5:30 pm on Saturday 15 May

Go online

From 10 May to 18 June 2010 full details of the draft Fleet Town Access Plan, plus drawings, can be viewed online and are available to download. An online comment form is also provided for you to tell us your views. Go to <http://consultations.hants.gov.uk>

At the library

Fleet Library has two copies of the draft Fleet Town Access Plan and poster-size drawings for you to view between 10 May and 18 June 2010.
