Match Reports

Ewshot Ladies 1-7 Fleet Ladies 2nds

No win for 8 matches, but when we do, wow, what a total!!

A slow start to a brilliant game. The pitch was hard and the ball bounced about and we took our time to adjust. Our first goal came from a corner, just goes to show what corner practice does for a game. Our second came just before half time and was pushed over the line after a grapple with the keeper. Half time, Fleet 2, Ewshot 0.

Despite the opposition being stronger in the second half, we scored 2 goals in quick succession within minutes to take the score to 4-0. Our defensive short corners proved particularly successful as Ewshot failed to score off every attempt, again, proof that practise pays. Our fifth goal was scored from a penalty flick when a cracking shot was obstructed by an opposing defender.

Titch scored her first goal of the season when she sent the ball flying to the top of the net

thanks to her great reflexes off a rebounding ball.

Ewshot made a sneaky run which caught us on the hop leaving one defender in the 'D'. We were not to be deterred and fought back with a cracking goal which left their keeper throwing her pads and helmet to the ground in despair!

A most enjoyable game!!

Scorers: Mich - 3, Fi - 2, Titch - 1, Den - 1

Aldershot & Farnham Mens 2nds 1-1 Fleet Mens 2nds

Scorer: - ?

MOM: Matt Pryor – some great saves and kept out two P flicks.

This turned out to be a tough match for the 2nds, who put in a lot of effort all round to earn a draw.

Fleet were under pressure from the start, but managed to soak up this initial offensive and settled down and composed themselves to launch some sustained pressure of their own. The pressure finally bore fruit, with Fleet scoring the opening goal from a well worked short corner – not sure who got the final touch? The rest of the first half was end to end, which included a penalty flick to A&F, who failed to convert - easily saved by Matt Pryor, so no addition to the score line.

The second half was tougher for Fleet, a second P flick was awarded against Fleet, this time the shot went wide (Matt had it covered!). Fleet also kept out a number of short corners.

Breakthrough – Fleet score a second, but, oh no, umps have blown for an infringement before the ball crossed the line, without scoring from the short corner, the score remains at 1-0. The pressure from A&F towards the end was relentless, and they finally managed to put a short corner away, making the final score 1-1.

Fellow promotees Wimborne at home next week, with the seconds looking to complete the hatrick of wins for Fleet men's over Wimborne this half of the season.

Fleet Ladies 1st 2-2 City of Portsmouth Ladies 1st

Fleet Ladies 1st team entertained City of Portsmouth Ladies 2nd team in bitterly cold weather on Saturday. With both sides looking for a win to move up the table, the first 20 minutes was very scrappy with neither side getting a real edge. Fleet broke the deadlock midway through the half, and then went 2-0 up soon afterwards, as they looked to start controlling the game, further good chances to make the game safe were within reach but not converted. However, with literally the last hit of the first half, Portsmouth pulled a goal back. The goal seemed to lift Portsmouth, who raised their game in the second half, putting Fleet under periods of pressure. They were awarded a penalty stroke midway through the half, which would have been spectacularly saved by stand in goalie Gilesy but the post did the job for her. Portsmouth stopped complaining for long enough to pull level soon afterwards with a well taken goal. The remainder of the game was quite an open affair with both sides looking for a knockout blow - but neither side were able to force the win despite having good chances. Both teams were pleased to get away from the icy winds after the game, and into a nice warm building. Fleet travel to play Basingstoke next Saturday and will be hoping for a win.

EB

Fleet Mens 3rds 3-2 Wimborne Wayfarers 4th

Fleet 3rd XI, still smarting from last week's loss from a Fareham goal right at the end of the game, played second placed Wimborne Wayfarers. The first fifteen minutes was fairly evenly balanced with both teams having goal scoring opportunities. James Maull was particularly dangerous down the right wing but was unable to put the ball in the back of the net. Rob Belsher, displaying a 'if you weren't there you wouldn't believe it' turn of speed pounced on a through ball to score the first goal and added a second a few minutes later from a well weighted James Maull pass.

Unfortunately the Fleet team went to sleep at the start of the second half, allowing WW to hit two quick goals to level the score. Goalie Jonathan Camp went down with a shoulder injury but, after some Rob Scott treatment, was able to soldier on for the remainder of the game, making some

excellent saves. New member Glen Robinson made a useful contribution with some neat one-two with both Mark Woolford and Andy Robson. With the last attack of the game Nick Williams pushed the ball into the circle where Rob Belsher was only able to drive the ball into the goalpost and back out into play. Luckily a composed James Maull was able to control the rebound and push it into the goal to enable Fleet to record a 3 – 2 victory.

Man of the match was James Maull.

Moosing Around...

So. What would you like first... the good news or the bad news?

The good news is that the club had its best weekend for results of the season; 3 wins and 2 draws. Pride of place goes to the Ladies 2nd team who destroyed their opposition by 7 goals to 1 and so recorded their first points of the season. Apparently, it had something to do with short corner defensive routines that were spied at training last Thursday night where yet another player from the men's section was seen coaching. The Moose wonders what's going on? All rumour and gossip to the_moose@fsmail.net

The bad news? A couple of items really. Firstly, discipline and players getting upset with the officials. Getting upset and asking for clarification is one thing, but getting carded is several steps beyond acceptable behaviour. Getting a red card, though, is a big problem and not only gets a player in trouble, it gets the whole club embroiled in lots of correspondence with the League, ending in a ban which means the team and the club suffers. Please, just walk away, whatever the provocation.

The other item of 'bad' news concerns the response to The Moose's call for seasonal recipes. Some insensitive humanoid sent in a recipe for "Marylin's Moose Stew". The Moose feels that beef is more appropriate. Apologies to all the cows out there, of course!
