Fleet Mens 1st 4-0 Portsmouth & Southsea 1st

On a bitterly cold day in January Fleet managed to display all the qualities needed to ensure that their fight for survival will have a positive outcome.

Tactical changes to formation saw ADS venture up field for the first time in a while and the back three marshalled by Pearl held firm in a dour first half.

The highlight of which was the aforementioned JP's crunching tackle on Chris Fryatt, which saw him sidelined for a while to recover.

In the second half Fleet stepped the ball speed up, and as a result saw a massive amount of possession, leading to frustration being borne out by Portsmouth and Southsea on CB!!!! Not a wise move as they found out !!

ADS scored from a short corner with a well placed flick high to the GK right hand side and Dave Smith nicked another goal bound effort from ADS at a short corner to make it 2-0.

With the injured MDS calling the substitutions wisely from the side line Fleet carried on displaying skill and effort and short corners duly followed.

JP rifled a flick past the goalkeeper to make it 3-0 and this was followed up by some rampaging runs by that colossus Stuey up front that deserved reward but alas not today.

Despite the rather agricultural approach by P&S the umpires only managed to give out one green!!!! Was the cold a factor?

Toward the end following another period of pressure from Fleet a well worked short corner saw JP hit the ball hard and wide only for Dave Smith to appear right on cue to deflect the ball in...with several parts of his anatomy by all accounts

An excellent effort and deserved result taking the men on to Yateley next week. GF

Fleet Ladies 1st 0-5 Andover Ladies 1st

Fleet Ladies 1st team entertained high flying Andover on a bright and bitterly cold Saturday. In what was a very disappointing and lacklustre performance, Fleet followed the previous week's excellent performance with probably their worst performance of the season. Andover went ahead within 10 minutes, and followed with another two goals before half time. Andover completed a comfortable victory with two second half goals. Fleet did force some short corners, and had a few chances to score, but never really got into the game for any length of time, and in the end were convincingly beaten. Fleet have a break next weekend before entertaining top of the table Southampton the following week, in a game they will need up their performance considerably.

Fleet Ladies 2^{nds} 3-6 Andover Ladies 2nds

Man of the Match: Lavs and Em

Scorer: Lavs 2 Titch 1

We knew this would be a tough game right from the start as Andover are at the top of the league and are currently unbeaten. We went out fighting and managed to hold our own for quite sometime. When Andover were 2 goals up we dug in and gave it our all, bringing the score to 1-2. How we were not in the lead is anyone's guess; the amount of goals their keeper saved was amazing. Although after half time Andover scored in quick succession we never gave up and managed to pull the score to 3-6. The score would have been a lot more had it not been for some good saves from our keeper. We all played really well and this showed when it came to the vote for man of the match with many players nominated.

Fleet Mens 3^{ds} 5-7 Trojans 5^{ths}

Fleet 3rds faced a very different Trojans side from the first half of the season encounter which we won. This time their team consisted of far more 'old and bold' players – indeed in some cases 'old and bald' players would be a more accurate description. Additionally, we were depleted with James Edwards and Dave Houston being called up for 2nd XI duties. My thanks to Martin Camp and Gary Madge for making guest appearances. The game was fast and furious with many opportunities for both sets of forwards – the half time score was three all with Rob Belsher scoring a hat trick. Trojans gained the upper hand in the second half with two quick goals. Fleet were never able to recover given the unfortunate accident to John Perryman who limped off with badly stretched ligaments in his ankle (and has now given some flimsy excuse about non availability for the next three – four weeks). Fleet's ten men were able to score a couple more goals – Gary Madge providing both passes which saw Graham Charles convert one, and a Trojan defender convert the second. Final score 5 – 7 to Trojans.

Moosing Around...

Ah! Nostalgia. And before anyone says "it's not what it used to be", just reflect a moment on happenings last Saturday. Two aging centre forwards made welcome (and overdue) returns to playing duties in Fleet colours. Gibson & Madge demonstrated once again the old adage that if you get in the 'D' and shoot, anything can happen. Gibson grabbed a brace as the 2nds cruised into a two goal lead, only to capitulate to a 5-2 defeat. Madge (the old sliverfox himself) found himself playing at left back in the 3rds but grabbed at least one goal and perhaps 2 others which oddly seemed to have been claimed by different goalhangers (Ed. So, that's how RB ends up as leading goal scorer in the 3rds). Shame really, but the 3rds lost 5-7!!

It's not often that you score loads, but end up on the losing side, so spare a thought for the Ladies2nds. They might well have had mixed feelings going into this game against the league leaders having conceded 10 earlier in the season. But to their credit their credit they managed to score 3 and could have had 3 more. Despite these heroics, the gallant ladies lost 6-3. That's quite a turn around!

No gossip detected by the old antlers this week from either of the 1st teams. Where are you all? Something mildly amusing must have happened somewhere.
