Notes from the Chairman

New Years Day Match

Firstly my thanks go to all who turned up to burn off the torpor of the previous evening's excesses. Also my thanks to Rob Belsher for providing the beer and my apologies for running out of gas and only being able to produce warm mulled wine.

I think 20 people made it and the Committee did their best to show why they were in charge of the club by doubtfully showing off their hockey skills. Fortunately nobody tried too hard apart from a particularly callous tackle/trip/simulated rape on myself by newcomer John Perryman! A real nice gent!

The final result may have been 3-3 but the Committee are claiming a win. Till next year!

Fleet Carnival

Many of you may have read of the impending plight of the Fleet Carnival and in particular the procession. The Carnival Committee needs about 50 people to help steward the procession – this is a legal requirement – otherwise no procession. It occurred to me that it would be a good PR/marketing opportunity for us to offer our help as a club. I have spoken to the organiser and he is delighted that we may become his “knight in shining armour”. Basically it means helping out at various street corners around Fleet for about 2 hours on the evening of Saturday July 8th. The job mainly entails stopping traffic coming onto the route and that is that. I have stated that I would expect

some reciprocal advertising from the Carnival and this well received.

I have not yet committed ourselves to this but I think it would be a good PR opportunity for us and it would help to show our face in the community, raise our profile and most importantly, help us recruit new players. I would like to hear you're your comments about this scheme and I would also like to start getting some names and commitment from as many of you as possible. I am hoping we can rustle up 30 people.

I hope you feel this is a worthy cause and you will support the club. Please feel free to email me on robscott13@btinternet.com with your offers of help. I will be chasing you!

Sabha 0-6 Fleet Mens 3rds

This was the first fixture for the 3rd team in over a month and the holiday excesses were very much in evidence as the team struggled to get the basics right during the first 15 – 20 minutes. Luckily we were playing a weakened opposition who only fielded ten players. Eventually the triangles began to appear and the forwards had numerous opportunities to score – but only three were taken. Rob Belsher had already been fined for jug avoidance by half time with Rob Scott doing his best to emulate this achievement. The right side pairing of Graham Charles and James Maull continually tore through the Sabha defence and provide excellent service to the forwards. Andy Robson and Graham joined Rob Belsher on the score sheet.

The second half continued in the same vein with Sabha restricted to the odd breakout. Too little width and too many Fleet players in the D contributed to congested play but on a positive note, players had time to bring the ball back across and to the top of the D to provide the halves with goal scoring chances. New team member John Perryman played well and fed several useful balls into the D. But it was left to the forwards to double the goal tally with Rob Belsher, Graham Charles and Sean Cannon adding their names to the list. A comfortable 0 – 6 win.

Fleet Ladies 1st 3-4 Fareham Ladies 1st

Fleet Ladies 1st team entertained high flying Fareham on a bright, but chilly Saturday in what proved to be a very exciting game. After an even opening period, Fareham took the lead following a scrappy short corner that eventually got bundled over the line. Soon afterwards, Fleet hit back to level the score with their first short corner, then went ahead with their next short corner. Another short corner strike took the home side to a comfortable 3-1 lead.

Fareham were slightly fortunate to pull back a goal just before half time, and the sides turned around with Fleet leading 3-2. The second half was a well contested game with both sides creating chances, and mid way through the half, Fareham finally equalised following a re-taken short corner. Both teams had chances to score before the end but it was Fareham who took the points when they scored the winning goal minutes from the end. Despite the result, this was the best performance by Fleet this season, and if they can maintain this form, they will certainly pick up several more points this season. Next week sees high flying Andover visit, in what should be another entertaining game.

EB

Basingstoke Ladies 4ths 0-1 Fleet Ladies 2nd

Man of the Match: Gemma and Fi
Scorer: Michelle

Another great effort from Fleet Ladies 2's and a well deserved victory.

This was a very even match and could have gone either way with both teams fighting hard for that first goal which didn't come until 10 minutes into the second half.

Fleet had many shots at goal but Basingstoke's defence was superb as was ours.

This was an extremely exciting match as Basingstoke didn't give up and were desperate for a draw if not a win.

Moosing Around...

Hooliganism arrived at Fleet in the shape of Fareham Hockey Club, by most accounts, this week. Not content with being well organised teams and competent players individually, the Fareham contingent of louts and loutesses contrived to spoil the enjoyment of everyone connected with hockey. OK, they won both games... but The Moose goes along with comments reported from the Ladies 1st team that: "I'd rather play the game like us and lose, then them and win". Here, here!

On a brighter and altogether more positive note, the Ladies 2nd XI win at Basingstoke is my highlight of the week. Mens 3rds also won (by loads), but the ladies really seem to have turned a corner and are steadily climbing the table. Let's hope it continues, despite various training ground moans detected by the old antlers.
