## Youth Academy

Fleet Hockey Youth Academy ended their season with two well attended events. A Family Fun Day was enjoyed by many with parents and siblings joining in with the skills competitions. Prizes were awarded to the best parent and the best member of the Academy. Skills such as penalty flicks, slalom races and accuracy games were played by everyone and the kids got the chance to show their parents what they have been up to all season.

The following day the Academy played Ewshot in a friendly game. Ewshot put out a well drilled, experienced side and although the pressure they mounted saw them enjoy a comfortable win it was good experience for the developing Fleet team.

## Moosing Around...

Well. Well. Well. A Fleet Hockey Club dinner dance and not a bad joke within earshot! And what a glamorous occasion it was too. The Moose didn't recognise half of the ladies with their clothes on! The Moose's award for most glamorous posh-frock goes to [Ed. Censored in the interests of team spirit].

The Moose can also report that several local businesses contributed various prizes for the raffle and that the 'guess-the-amount-of-loose-change-in-here' competition was a huge success. Some 'special' donations were auctioned off with some very generous bidders in evidence. Thank you to Mike Gilbert, Graham Charles and Vee Dale-Smith who secured the prizes of a golf-day for two, a London hotel for the night and a spa day for two at Sopwell House in St Albans respectively.

From my vantage point on the edge of the forest, the Moose clearly heard the strains of many a fine tune bashed out by Eric and his Mushrooms. Some interesting gyrating was going on as well, or was that you humans call 'rhythmic drunkenness'?

Whatever it was, long may it continue. The Moose was asked to convey thanks to everyone involved in the organisation of the event, particularly Sarah Pearl-Frye.
